pay for the balance in twenty years at 54% interest. Eight hundred thousand times \$4,000 is a not of dollars and such a hung sum, spent for raw materials, labor, machinery and incidental consumer products would do more to speed recovery than all the governmental "pump-priming" since 1933. Such a program would require, for instance, six billion board feet of lumber, 37 million baards of cent of paint and varnish, \$00,000 bathroom, kitchen and heating installations, more than a billion dollars in wages for labor.

Keep America Out of War

By Ballots Not Bullets

This ballot is offered to the readers of THE ELBA CLIPPER in support of a nationwide "Peace-for-America" campaign being conducted by the Veterans of Foreign Wars of the U.S.

The purpose of this campaign is to provide Congress with tangible proof, in the form of 25 million signatures of citizen voters, that the people of this nation want America to keep out of war.
